

Selskabsdialoger

ATP er hvert år i dialog med en række selskaber om ESG-forhold. Det sker igennem møder samt telefonisk og skriftlig dialog med virksomheden. Ligeledes sender vi forud for udenlandske selskabers generalforsamling et brev, hvor vi fortæller om bevæggrundene for vores stemmeafgivning samt andre

generelle og selskabsspecifikke forhold. Disse er registreret som (VI - voting intentions). Selskaber, som ATP har undersøgt i forbindelse med fact-finding offentliggøres ikke. Herudover, har ATP løbende dialog med danske porteføljeselskaber om generelle emner, hvor ESG også indgår, uden det registreres som ESG-dialog
